I seek a research-oriented SEO content writing position in an environment that facilitates learning of new ideas and helps me improve my skills.

EXPERIENCE

FEBRUARY 2019 – SEPTEMBER 2019

CONTENT WRITER, QUALITY RESOURCE GROUP

Writing quality and engaging SEO content for different clients covering a range of topics. I was known for providing unique, and grammatically accurate articles, and blog posts.

2012-2018

FREELANCER

I began writing articles from Feb 2012 and wrote hundreds of articles for scores of national as well as international clients.

EDUCATION

2011

PRE-ENGINEERING, PRIVATE CANDIDATE

2009

MATRICULATION, OUR OWN BOYS HIGH SCHOOL

SKILLS

- Write research-based SEO articles
- Unique and plagiarism-free content
- Provide 2500+ words a day
- Focused and committed
- Punctual

ACTIVITIES

I enjoy reading books and taking walks. One of my favorite activities includes visiting historical sites. I take particular interest in literature because it offers valuable insight into a creative and meaningful use of the words.
